Spring Festival Information

Member Plant, Pottery, and Garden-Related Items to Sell

- Thanks to members who signed up to sell. We do the selling for you; just bring clean, rooted, and attractive potted plants.
- Bring items between 9:30 am and 10:00 am. They should be labeled, priced, and in place by 10:00 am.
- If you are going to donate plants for the club to sell, you must use sticks that say PCSS. You may also sell plants that are usually sold as cuttings, nice clean pots (not plastic), and other new or newer garden-related items, including artwork. You must attach a plant stick or label with your name and price on it.
- You will need to have two plant sticks per plant. One stick must have your name and the price. The second stick should have the name of the plant. Plant sticks will be available for sale, 8 for \$0.50.
- Tip for pricing plants or other items to sell: What would you pay for it?

Plant Exhibition

- **We will have a non-judged show for all levels, so it will be simpler for all involved.**
- We really need you to bring plants to show. We especially encourage novice level participants.
- **Each plant will earn two Brag Points**, so the more you bring in, the more points you earn!
- As always, you must have owned your plant for six months or longer.
- You may bring plants that you have recently shown, even if you have won.
- All entries must be labeled and on a table by 10:30 am.
- We will have a People's Choice Award for each level. Each winner will receive a certificate, so bring in your most popular plants.

Workshops will start at 11:00 am

Workshops will run consecutively, so you won't miss a thing! See next page for full schedule and details.

Potluck

Thanks to our generous members, we will have lots of delicious food throughout the day. We will enjoy camaraderie with old and new friends. Please bring the goodies you signed up for, and if you didn't sign up, please bring goodies to share anyway.

Volunteers

Thank you, volunteers; we can't do it without you! Come enjoy the fun and camaraderie. If everyone helps a little, we'll have a great time. Please contact Charlyne if you have any questions.
